## § 251.9 Matching of funds.

(a) State matching requirement. The State must provide a cash or in-kind contribution equal to the amount of TEFAP administrative funds received under §251.8 and retained by the State agency for State-level costs or made available by the State agency directly to eligible recipient agencies that are not emergency feeding organizations as defined in §251.3(e). The State agency will not be required to match any portion of the Federal grant passed through for administrative costs incurred by emergency feeding organizations or directly expended by the State

agency for such costs in accordance with §251.8(e)(4) of this part.

- (b) Exceptions. In accordance with the provisions of 48 U.S.C. 1469a, American Samoa, Guam, the Virgin Islands and the Northern Mariana Islands shall be exempt from the matching requirements of paragraph (a) of this section if their respective matching requirements are under \$200,000.
- (c) Applicable contributions. States shall meet the requirements of paragraph (a) of this section through cash or in-kind contributions from sources other than Federal funds which are prohibited by law from being used to meet a Federally mandated State matching requirement. Such contributions shall meet the requirements set forth in 7 CFR 3016.24. In accordance with part 3016 or 3019, as applicable, the matching requirement shall not be met by contributions for costs supported by another Federal grant, except as provided by Federal statute. Allowable contributions are only those contributions for costs which would otherwise be allowable as State or local-level administrative costs.
- (1) Cash. An allowable cash contribution is any cash outlay of the State agency for a specifically identifiable allowable State- or local-level administrative cost, including the outlay of money contributed to the State agency by other public agencies and institutions, and private organizations and individuals. Examples of cash contributions include, but are not limited to, expenditures for office supplies, storage space, transportation, loading facilities and equipment, employees' salaries, and other goods and services specifically identifiable as State- or locallevel administrative costs for which there has been a cash outlay by the State agency.
- (2) In-kind. (i) Allowable in-kind contributions are any contributions, which are non-cash outlays, of real property and non-expendable personal property and the value of goods and services specifically identifiable with allowable State administrative costs or, when contributed by the State agency to an eligible recipient agency, allowable local-level administrative costs. Examples of in-kind contributions include, but are not limited to, the donation of

- office supplies, storage space, vehicles to transport the commodities, loading facilities and equipment such as pallets and forklifts, and other non-cash goods or services specifically identifiable with allowable State-level administrative costs or, when contributed by the State agency to an eligible recipient agency, allowable local-level administrative costs. In-kind contributions shall be valued in accordance with part 3016 or 3019, as applicable.
- (ii) In order for a third-party in-kind contribution to qualify as a State-level administrative cost for purposes of meeting the match, all of the following criteria shall be met:
- (A) In its administration of food assistance programs, the State has performed this type of function over a sustained period of time in the past;
- (B) The function was not previously performed by the State on behalf of eligible recipient agencies; and
- (C) The State would normally perform the function as part of its responsibility in administering TEFAP or related food assistance programs if it were not provided as an in-kind contribution.
- (d) Assessment fees. States shall not assess any fees for the distribution of donated foods to eligible recipient agencies.
- (e) Reporting requirements. State agencies shall identify their matching contribution on the FNS-667, Report of TEFAP Administrative Costs, in accordance with §251.10(d).
- (f) Failure to match. If, during the course of the fiscal year, the quarterly FNS-667 indicates that the State is or will be unable to meet the matching requirements in whole or in part, the Department shall suspend or disallow the unmatched portion of Federal funds subject to the provisions of paragraph (a) of this section. If, upon submission of the final FNS-667 for the fiscal year, the Department determines that the State has not met the requirements of paragraph (a) of this section in whole or in part, the unmatched portion of Federal funds subject to the requirements of paragraph (a) of this section

The data must be identified on Form FNS-667, Report of Administrative Costs (TEFAP) and submitted to the appropriate FNS Regional Office on a quarterly basis. The quarterly report must be submitted no later than 30 calendar days after the end of the quarter to which it pertains. The final report must be submitted no later than 90 calendar days after the end of the fiscal year to which it pertains.
- (2) Reports of excessive inventory. Each State agency must complete and submit to the FNS Regional Office reports to ensure that excessive inventories of donated foods are not maintained, in accordance with the requirements of §250.17(a) of this chapter.
- (e) State monitoring system. (1) Each State agency must monitor the operation of the program to ensure that it is being administered in accordance with Federal and State requirements. State agencies may not delegate this responsibility.
- (2) Unless specific exceptions are approved in writing by FNS, the State agency monitoring system must include:
- (i) An annual review of at least 25 percent of all eligible recipient agencies which have signed an agreement with the State agency pursuant to
